

TIMELINE

oPHOTO PREP

WEEK 1

Consultation

Speak with an oPHOTO event consultant to be introduced to our catalog of services & products.

WEEK 2

Configuration

An event coordinator will setup your event profile so that you and select attendees can start testing the app right away. Email sent to you will contain login instructions.

WEEK 3

WEEK 4

Design

Select the services & products that will be the ingredients of your special event. After payment, your event date will be put on our calendar.

Approval

Perform your final review & sign-off on your customized event plan, printed materials, and service agreement.

Fabrication

Receive samples of all event materials for initial approval.

WEEK 5

WEEK 6

Host

We're ready to roll!

oPHOTO event staff will promptly arrive at your event, setup all display materials & equipment, and be ready to start assisting your attendees with their oPHOTO *printouts* & *posts*.
